Subject: NYCC - Countryside Access Service - Public Consultation

Dear Parish Clerk,

North Yorkshire County Council's Countryside Access Service is reviewing how it manages and maintains the county's public rights of way network.

We are now formally consulting the public on a new proposed approach to prioritising management and maintenance of public rights of way within North Yorkshire, excluding those managed on our behalf by The North York Moors and Yorkshire Dales National Parks.

The proposals include a suggestion that Parish Councils should play a formal role in the prioritisation of the network of paths.

A set of proposal documents and a consultation questionnaire is now available on the NYCC website and will be available until 19 March 2017. I would be very interested to receive your views as part of this consultation exercise.

The documentation is available using the following link:

Yours sincerely

Ian Kelly
Countryside Access Manager
